

# DOUBLE POCKET DSP CARD

by Kate Morgan

1. A4 size sheet of double sided Designer Series Paper (29.7cm x 21cm)
2. Fold in half both ways
3. Cut across the centre scoreline to the centre fold
4. Fold the top left section behind
5. Fold the bottom left section to the front
6. Take the bottom right corner and fold it across to line up with the left side (pic 1)

7. Fold the bottom section up (pic 2)
8. Take the upper right corner (inside pattern) and fold it behind to create the second pocket (pic 3)
9. Add Tear & Tape adhesive around the edges to hold it all together, but ensure you leave the pockets free to add your tags!
